

Shalom,

As summer winds down, and we prepare for the High Holidays, let me take this opportunity to wish you and your families a Happy and Healthy New Year and a meaningful fast. I always like to take the time to think of all the new friends I have made through our wonderful BART encounters. I look forward to some new programs for the coming year. Please check future issues of this newsletter for details.

We are currently working on a BART section on the South District website. As soon as that is active, I will let you know and you can look for current information from the URJ, the South District, and all the BART congregations on that site.

As a reminder, please place March 9, 2012 on your calendar for the 2012 BART Shabbat which will be held at Temple Beth El in Hollywood.

Registration for the Biennial is open. You can find the registration link at <http://urjbiennial.zerista.com>. Please consider joining us at this, the 71<sup>st</sup> URJ Biennial. You will come away refreshed and rejuvenated.

From my family to yours,

Chatima Tovah

May you be inscribed for a good year

L'shalom,

Stuart, Chair, BART
