

*During the Jewish New Year, we all observe
the holiday traditions with our family and loved ones.*

This year, the Caring Committee is reaching out to all who would like to open their hearts as well as their tables to those who cannot be with family during Rosh Hashanah and/or Yom Kippur. If your family has additional space at your table for those congregants or if you would like to share the holiday with someone, please contact Robin Newman at 561.441.4982.
